ARTICLE 2 PRINCIPAL AND INTEREST

2.1 Principal

The Company shall pay to the Holder the Principal Amount, or such portion of the Principal Amount as may be outstanding at the time, on the Maturity Date as set forth herein (unless this Convertible Debenture shall have been previously repaid or converted in full in accordance with the provisions hereof).

2.2 Interest

2.3 Payment of Interest and Principal

ARTICLE 3 SECURITY

3.1 Security

As general and continuing collateral security for the due payment of the Principal Amount, interest and all other monies payable hereunder or from time to time secured hereby and as security for the performance and observance of the covenants and agreements on the part of the Company herein contained, but subject to Permitted Liens, the Company hereby mortgages and charges in favour of the Holder, as and by way of a second floating charge, all of the Company's present and after-acquired real property wherever situate, and grants in favour of the Holder a second priority security interest in and to

all of the Company's present and after-acquired personal property (both tangible and intangible) of every nature and kind and wherever situate. In this Convertible Debenture, the mortgages, charges and security interests hereby constituted are called the "**Security Interest**" and the subject matter of the Security Interest is called the "**Collateral**". The payment of the Obligations is hereby expressly subordinated and postponed in right of payment to the prior payment in full of the Primary Indebtedness, and any and all Security Interests now or hereinafter held by the Holder in connection with the Obligations or any part thereof are hereby and shall hereafter be subordinated to any and all security interests now or hereafter held in respect of and securing the Primary Indebtedness or any part thereof.

3.2 Business in the Ordinary Course

Until the Security Interest becomes enforceable, the Company, subject to the terms of this Debenture and any other agreements, instruments, notes, debentures and other documents entered into from time to time between the Company and the Holder (collectively, the "**Credit Documents**"), may dispose of or deal with the Collateral in the ordinary course of its business and for the purpose of carrying on the same, so that purchasers thereof or parties dealing with the Company take title thereto free and clear of the Security Interest. In the event of any such disposition in the ordinary course of business, the Holder will, at the written request of the Company which will include a certificate of the Company stating that such Collateral is being dealt with or disposed of in accordance with this Section 3.2, release its Security Interest over the Collateral which has been disposed.

3.3 Leases

The Security Interest will not extend or apply to the last day of the term of any lease of real property or agreement therefor, but upon the enforcement of the Security Interest, the Company will stand possessed of such last day in trust to assign the same at the direction of the Holder to any Person.

3.4 Crystallizing the Security

Without limiting its rights hereunder to crystallize the Security Interest in any other manner, the Holder may, at its option, crystallize the Security Interest in respect of all or a portion of the Collateral by (a) giving notice to the Company of, and (b) registering this Debenture, or a caveat, security notice, financing statement or other instrument in respect of this Debenture, at any public registry or other office maintained for the purposes of registering fixed and specific mortgages and charges, security interests and other like interests, and after such crystallization, the Security Interest in respect of such Collateral that is the subject of the registration shall constitute a fixed and specific mortgage and charge and security interest to and in favour of the Holder, its successors and assigns, in respect of such Collateral, and the Company shall not thereafter dispose of or otherwise deal with such Collateral without the consent of the Holder. The Company shall execute such further documents and do all acts reasonably requested by the Holder to give effect to the foregoing.

3.5 After Acquired Property

The Security Interest created by this Debenture is intended to attach:

- (a) to the existing Collateral when the Company signs this Debenture; and
- (b) to Collateral subsequently acquired by the Company, immediately upon the Company acquiring any rights in such Collateral.

The Holder and the Company do not intend to postpone the attachment of any security created by this Debenture.

3.6 Continued Performance

Notwithstanding the provisions of this Debenture, (i) the Company shall remain liable to perform all of its duties and obligations in regard to the Collateral (including, without limitation, all of its duties and obligations arising under any leases, licenses, permits, reservations, contracts, agreements, instruments, contractual rights and governmental orders, authorizations, licenses and permits now or hereafter pertaining thereto) to the same extent as if this Debenture had not been executed, (ii) the exercise by the Holder of any of its rights and remedies under or in regard to this Debenture shall not release the Company from such duties and obligations, and (iii) the Holder shall have no liability for such duties and obligations by reason only of the execution and delivery of this Debenture.

3.7 Discharge

The Holder is the party entitled to receive all amounts payable hereunder and to give a discharge hereof.

3.8 Contractual Rights

The Security Interest does not and will not extend to, and the Collateral will not include, any agreement, right, franchise, licence or permit (the "**Contractual Rights**") to which the Company is a party or of which the Company has the benefit, to the extent that the creation of the Security Interest would constitute a breach of the terms of or permit any Person to terminate the Contractual Rights, but the Company will hold its interest therein in trust for the Holder and will assign such Contractual Rights to the Holder forthwith upon obtaining the consent of the other party or parties thereto.

ARTICLE 4 SUBORDINATION

4.1 Agreement to Subordinate

The Company covenants and agrees, and the Holder by its acceptance hereof likewise covenants and agrees, that the payment of the Indebtedness is hereby expressly subordinated, to the extent and in the manner hereinafter set forth, in right of payment to the prior payment in full of all Primary Indebtedness.

4.2 Subrogation of Convertible Debenture

Subject to the payment in full of all Primary Indebtedness, the rights of the Holder shall be subrogated to the rights of the holders of the Primary Indebtedness to receive payments on account of the Primary Indebtedness or to receive distributions of assets of the Company for application to the Primary Indebtedness, to the extent of the application to the Primary Indebtedness of monies or other assets which would have been received by the Holder but for the provisions of this Article 4, until the Holder shall be paid in full. No such subrogation shall be deemed to be a payment by the Company to or on account of the Holder, it being understood that the provisions of this Article 4 are solely for the purpose of defining the relative rights of the Holder on the one hand, and the holder of the Primary Indebtedness, on the other hand. Nothing contained in this Convertible Debenture is intended to or shall impair, as between the Company and its creditors (other than the holder of Primary Indebtedness and the Holder), the obligation of the Company, which is unconditional and absolute, to pay to the Holder the Indebtedness and other amounts payable under this Convertible Debenture as and when the same shall become due and payable

in accordance with their terms, or to affect the relative rights of the Holder and creditors of the Company (other than the holder of the Primary Indebtedness), nor shall anything in this Convertible Debenture prevent any Holder from exercising all remedies otherwise permitted in this Convertible Debenture and by applicable law upon default under this Convertible Debenture, subject to the rights, if any, of the holder of the Primary Indebtedness, if any, in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

4.3 No Payment to Holder if Primary Indebtedness Due or in Default

- (a) Upon the maturity of any Primary Indebtedness by lapse of time, acceleration or otherwise, then, except as otherwise provided in section 4.5, all principal of and premium, if any, and interest on such Primary Indebtedness shall first be paid in full, or shall first have been duly provided for, before any payment under this Convertible Debenture is made.
- (b) Upon the happening of an event of default with respect to any Primary Indebtedness, as defined therein or in the instrument under which the same is outstanding, permitting the holders thereof to accelerate the maturity thereof, then, unless and until such event of default shall have been cured or waived or shall have ceased to exist, no payment (by purchase of this Convertible Debenture or otherwise) shall be made by the Company with respect to this Convertible Debenture.
- (c) The fact that a payment hereunder is prohibited by this section 4.3 shall not prevent the failure to make such a payment from being an Event of Default under this Convertible Debenture.

4.4 Distribution on Dissolution, Winding-Up, Liquidation or Reorganization

Upon any distribution of assets of the Company on any dissolution, winding-up, total liquidation, bankruptcy, insolvency or receivership of the Company:

- (a) the holder of all Primary Indebtedness shall be entitled to receive payment in full of the principal of such Primary Indebtedness and the interest and premium (if any) due thereon before the Holder is entitled to receive any payment upon the Indebtedness evidenced by this Convertible Debenture;
- (b) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holder would be entitled except for the provisions of this Article 4, shall be paid by the liquidating trustee or agent or other person making such payment or distribution (whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise), directly to the holder of the Primary Indebtedness or its representatives or trustees, as its interests may appear, to the extent necessary to pay in full all Primary Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution to the holder of such Primary Indebtedness; and
- (c) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, shall be received by the Holder under the above-noted dissolution, winding up, total liquidation, bankruptcy insolvency or receivership of the Company on account of this Convertible Debenture before all Primary Indebtedness is paid in full, such payment or distribution shall be held in trust for the benefit of and shall be paid over to the holder of such

Primary Indebtedness or its representatives or trustees, as its interest may appear, for application to the payment of all Primary Indebtedness remaining unpaid until all Primary Indebtedness shall have been paid in full after giving effect to any concurrent payment or distribution to the holders of such Primary Indebtedness.

Upon any distribution of assets of the Company referred to in this section 4.4, the Holder shall be entitled to rely upon a certificate of the liquidating trustee or agent or other person making the distribution for the purpose of ascertaining the persons entitled to participate in such distribution, including the holder of the Primary Indebtedness of the Company, the amount thereof or payable thereon, the amount paid or distributed thereon and all other facts pertinent thereto or to this section 4.4.

4.5 Payment of Convertible Debentures Permitted

Notwithstanding sections 4.2 and 4.4 or any other provision of this Convertible Debenture:

- (a) the Company may make payments in respect of this Convertible Debenture pursuant to Article 6 even though at the time such payments are made circumstances described in section 4.3 which, but for this subsection, would prohibit such payments shall have occurred or be continuing or an event of default shall have occurred and be continuing, if notice of repayment shall have been given prior to such circumstances or such event of default occurring; and
- (b) unless and until written notice shall be given to the Holder by or on behalf of the holder of Primary Indebtedness, notifying the Holder of the happening of an event of default with respect to such Primary Indebtedness or of the existence of any other facts which would result in the making of any payment with respect to this Convertible Debenture to be in contravention of the provisions of this Article 4, the Holder and the Company shall be entitled to assume that no such event of default has occurred or that no such facts exist; and, with respect to any monies which may at any time be received by the Holder pursuant to any provision of this Convertible Debenture prior to the receipt by the Holder of such written notice, nothing in this Convertible Debenture shall prevent the Holder from applying such monies to the purposes for which the same were so received, notwithstanding the occurrence or continuance of an event of default or other facts with respect to such Primary Indebtedness.

4.6 Subordination not to be Impaired

No right of the holder of Primary Indebtedness or its representative or trustee to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or such holder, or by any non-compliance by the Company with the terms, provisions and covenants of this Convertible Debenture regardless of any knowledge thereof which such holder may have or be otherwise charged with.

ARTICLE 5 CONVERSION

5.1 Conversion Privilege and Conversion Price

Subject to and upon compliance with the provisions of this Article 5, the Holder shall have the right, at such Holder's option, at any time or times on or before the Maturity Date to convert the Principal Amount or any portion thereof then outstanding under this Convertible Debenture into fully paid and non-

assessable Common Shares at the Conversion Price. The number of Common Shares to be received by the Holder on conversion shall be determined by dividing the portion of the Principal Amount being converted by the Conversion Price.

5.2 Manner of Exercise of Right to Convert

- (a) In order to exercise the Conversion Privilege, the Holder shall, within the time specified in section 5.1, surrender such Convertible Debenture to the Company at its registered office in the City of Calgary, Alberta accompanied by a written notice (which shall be irrevocable) in the form of the "Notice of Election to Convert" attached to this Convertible Debenture as Schedule "A", duly signed by the Holder or the Holder's executors, administrators or other legal representatives or the Holder's attorney duly appointed by an instrument in writing in form and execution satisfactory to the Company stating:
- (i) that the Holder elects to convert the then outstanding Principal Amount under this Convertible Debenture or a specified portion thereof;
 - (ii) the names (with addresses) in which the Common Shares issuable upon such conversion are to be registered, provided that the Holder shall only be entitled to direct the registration of its entitlement to the Common Shares in a manner permitted by applicable securities legislation;
 - (iii) the address or addresses to which the certificate or certificates representing the Common Shares issuable upon conversion is or are to be delivered; and
 - (iv) upon surrender of the "Notice of Election to Convert" in accordance with section 5.2(a) above, the Holder or its permitted nominees shall be entitled to be entered in the books of the Company as at the Conversion Date, as defined below (or such later date as is specified in subsection 5.2(b)) as the holder or holders of the number of Common Shares into which this Convertible Debenture was converted, in accordance with the provisions of this Article 5, and as soon as practicable thereafter, the Company shall deliver to the Holder electing to convert or, subject as aforesaid, its nominees or assignees, a certificate or certificates representing the number of Common Shares comprising the number of Common Shares into which all or any portion of the Principal Amount hereof has been converted to the address or addresses indicated in the "Notice of Election to Convert".
- (b) For the purposes of this Article 5, this Convertible Debenture shall be deemed to be surrendered for conversion on the date (the "**Conversion Date**") on which it is so surrendered in accordance with the provisions of this Article 5 and, if surrendered by mail or other means of delivery, on the date on which it is received by the Company, provided that if this Convertible Debenture is surrendered for conversion on a day on which the register of Common Shares is closed, the Person entitled to receive Common Shares shall become the holder of record of such Common Shares as at the date on which such register is next reopened.
- (c) In the event of any partial conversion of this Convertible Debenture, the Holder shall, upon the exercise of the Conversion Privilege, surrender this Convertible Debenture to the Company, and the Company shall cancel the same and shall, without charge,

forthwith certify and deliver to the Holder a new Convertible Debenture in an aggregate Principal Amount equal to the unconverted part of the Principal Amount of this Convertible Debenture outstanding and so surrendered upon the same terms and conditions as this Convertible Debenture.

- (d) If this Convertible Debenture is surrendered for conversion in accordance with this section 5.2, the Holder shall be entitled to receive accrued and unpaid interest in respect of the Principal Amount converted only for the period up to the Conversion Date, such interest to be paid within 30 days of the Conversion Date in accordance with section 2.2.
- (e) Notwithstanding anything herein contained, Common Shares will only be issued and registered upon conversion of this Convertible Debenture in compliance with the securities laws of any applicable jurisdiction and, without limiting the generality of the foregoing, in the event that this Convertible Debenture is converted prior to the expiry of any applicable hold period under applicable securities legislation, the certificates representing the Common Shares thereby issued will bear such legend as may, in the opinion of counsel to the Company, be necessary in order to avoid a violation of any securities laws of any province of Canada or of the United States or to comply with the requirements of any stock exchange on which the Common Shares are listed, provided that if, at any time, in the opinion of counsel to the Company, such legends are no longer necessary in order to avoid a violation of any such laws, or the Holder of any such legended certificate, at the Holder's expense, provides the Company with evidence satisfactory in form and substance to the Company (which may include an opinion of counsel satisfactory to the Company) to the effect that such Holder is entitled to sell or otherwise transfer such Common Shares in a transaction in which such legends are not required, such legended certificate may thereafter be surrendered to the Company in exchange for a certificate which does not bear such legend.

5.3 Adjustment of Conversion Price

If and whenever at any time after the date hereof, and prior to the Conversion Date, there is a reclassification of the Common Shares at any time outstanding or other change of the Common Shares into other shares or into other securities, whether of the Company or of another body corporate, or other capital reorganization, or a consolidation, amalgamation or merger of the Company with or into any other corporate or other entity (other than a consolidation, amalgamation or merger which does not result in any reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or a transfer of the undertaking or assets of the Company as an entirety or substantially as an entirety to another corporation or other entity in which the holders of Common Shares are entitled to receive shares, other securities or other property or a share split or other subdivision of the issued and outstanding common shares into a greater number of common shares or a payment of a dividend on the common shares other than in the ordinary course (any of such events being called a "**Capital Reorganization**"), the Holder who exercises the Conversion Privilege pursuant to this Convertible Debenture after the effective date of such Capital Reorganization will be entitled to receive, and will accept for the same aggregate consideration in lieu of the number of Common Shares to which the Holder was previously entitled upon such conversion, the aggregate number of shares, other securities or other property which the Holder would have been entitled to receive as a result of such Capital Reorganization if, on the effective date thereof, the Holder had been the registered Holder of the number of Common Shares into which this Convertible Debenture was convertible immediately prior to such Capital Reorganization. The Company will take all steps necessary to ensure that, on a Capital Reorganization, the Holder will, if it exercises its Conversion Privilege hereto, receive the aggregate number of shares, other securities or other property to which it is entitled as a result of the Capital Reorganization. Appropriate adjustments will be

made as a result of any such Capital Reorganization in the application of the provisions set forth in this Article 5 with respect to the rights and interests thereafter of the Holder under this Convertible Debenture to the end that the provisions set forth in this Article 5 will thereafter correspondingly be made applicable as nearly as may reasonably be in relation to any shares, other securities or other property thereafter deliverable upon the conversion of this Convertible Debenture.

5.4 Rules Regarding Calculation of Adjustment of Conversion Price

If within five days of receipt of an Adjustment Notice, as defined below, a Holder notifies the Company in writing that it disputes the content of the Adjustment Notice, or if at any time a shareholder or other creditor of the Company disputes adjustments provided for in section 5.3, such dispute will be conclusively determined by the Company's Auditors, or if they are unable or unwilling to act, by such other firm of independent chartered accountants as may be selected by the directors of the Company, and any such determination will be binding upon the Company, the Holder and shareholders of the Company; such auditors or accountants will be given access to all necessary records of the Company. If any such determination is made, the Company will deliver a certificate of the Company to the Holder describing such determination.

5.5 Notice as to Adjustment

The Company shall from time to time, immediately after the occurrence of any event which requires an adjustment or readjustment as provided in section 5.3, deliver a notice in writing (an "**Adjustment Notice**") to the Holder specifying the nature of the event requiring the same and the amount of the adjustment or readjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Such notice and the amount of the adjustment specified therein shall, subject to the provisions of section 5.4, be conclusive and binding on all parties.

5.6 No Requirement to Issue Fractional Common Shares

The Company shall not be required to issue fractional Common Shares upon the conversion of all or any part of this Convertible Debenture pursuant to this Article 5. The number of whole Common Shares issuable upon conversion of this Convertible Debenture shall be computed on the basis of the aggregate Principal Amount of this Convertible Debenture so converted.

5.7 Cancellation of Converted Convertible Debenture

This Convertible Debenture when converted in full shall be forthwith delivered to and cancelled by the Company and no Convertible Debenture shall be issued in substitution therefor.

ARTICLE 6 REPAYMENT

6.1 Optional Repayment Restricted

The Company shall not have the right to repay all or any portion of the Principal Amount hereunder at its option prior to the Maturity Date. If approved by the board of directors of the Company, the Company may provide written notice to the Holder of its request to make a repayment of all or any portion of the Principal Amount hereunder at any time prior to the Maturity Date (a "**Request to Repay**"), which request the Holder may either accept or reject at its sole discretion. Any such Request to Repay

shall specify the aggregate Principal Amount of this Convertible Debenture proposed to be repaid, the date proposed for repayment, the proposed amount to be repaid and the proposed place of payment.

6.2 Payment

Upon a Request to Repay being accepted by the Holder, in its sole discretion, the Principal Amount of this Convertible Debenture to be repaid shall be and become due and payable on the date specified in the Request to Repay, anything therein or hereinto to the contrary notwithstanding and, from and after such date, interest upon the Principal Amount so becoming due and payable shall cease unless payment of the amount to be repaid shall not be made on surrender of this Convertible Debenture.

6.3 Cancellation of Repaid Convertible Debenture

Upon this Convertible Debenture being fully repaid by the Company pursuant to this Article 6, this Convertible Debenture will be cancelled by the Company and not re-issued.

ARTICLE 7 DEFAULT AND REMEDIES

7.1 Events of Default

Each of the following events is herein sometimes called an "**Event of Default**":

- (a) failure by the Company to pay principal outstanding when due, or failure to pay interest or fees outstanding within three (3) Business Days of when due;
- (b) if there is a breach, non-performance or non-observance of any term or condition of this Convertible Debenture that does not relate to payment and, if such default is capable of being remedied and such default is not remedied within ten (10) Business Days after notice of its occurrence has been delivered by the Holder;
- (c) if any representation or warranty made hereunder or in connection herewith is materially false or materially misleading at any time;

- (e) if the Company ceases or threatens to cease to carry on business as currently being carried on by it;
- (f) if the Security Interest hereunder is not enforceable or if the Company shall dispute or deny any liability or any of its obligations hereunder;
- (g) if any final judgment for the payment of monies in excess of \$100,000 is made against the Company and is not discharged within 30 days after the imposition of such judgment,

unless the Company has procured a stay of execution in respect thereof or has appealed such judgment and caused the execution thereof to be stayed during such appeal;

- (h) if there exists an event the effect of which with lapse of time or the giving of notice will constitute a default or an event of default under any other agreement for borrowed money entered into by the Company, including without limitation under and pursuant to the terms of the Primary Indebtedness;
- (i) if the Company is in breach of any applicable law, except to the extent that any failure to so comply would not reasonably be expected to have a materially adverse effect on the Company or its business;
- (j) if, without the prior written consent of the Holder acting reasonably there should occur any material change of ownership or control of the Company from that held on the date hereof; or
- (k) if there is any breach of the terms of the Board Composition Arrangement.

7.2 Waiver of Default

Any such Receiver will have, in addition to any other rights, remedies and powers which a Receiver may have at law, in equity or by statute, the rights and powers set out in clauses (b) through (d) in this section 7.3. In exercising such rights and powers, any Receiver will act as and for all purposes will be deemed to be the agent of the Company and the Holder will not be responsible for any act or default of any Receiver. Any Receiver may, at its discretion establish the terms of such disposition, including terms and conditions as to credit, upset, reserve bid or price. All

payments made pursuant to such dispositions will be credited against the Principal Amount only as they are actually received. Any Receiver may buy in, rescind or vary any contract for the disposition of any Collateral and may dispose of any Collateral without being answerable for any loss occasioned thereby. Any such disposition may take place whether or not the Receiver has taken possession of the Collateral.

- (c) **Pay Liens and Borrow Money.** Any Receiver may pay any liability secured by any actual or threatened lien, pledge, charge, security interest, mortgage or other encumbrance of any kind against any Collateral. Any Receiver may borrow money for the maintenance, preservation or protection of any Collateral or for carrying on any of the business or undertaking of the Company pertaining to the Collateral and may grant liens, pledges, charges, security interests, mortgages or other encumbrances of any kind in any Collateral (in priority to the Security Interest) as security for the money so borrowed. The Company will forthwith upon demand reimburse the Receiver for all such payments and borrowings and such payments and borrowings will be secured hereby and will be added to the money hereby secured and bear interest at the rate set forth in Section 2.2 hereof.
- (d) **Dealing with Collateral.** Any Receiver may seize, collect, realize, dispose of, enforce, release to third parties or otherwise deal with any Collateral in such manner, upon such terms and conditions and at such time as it deems advisable, including without limitation:
 - (i) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Collateral;
 - (ii) to receive, endorse, and collect any drafts or other instruments, documents and chattel paper in connection with subsection 7.3(d)(i) hereof;
 - (iii) to file any claims or take any action or institute any proceedings which the Holder may deem to be necessary or desirable for the collection of the Collateral or to enforce compliance with the terms and conditions of any contract or any account; and
 - (iv) to perform the affirmative obligations of the Company hereunder (including, without limitation, all obligations of the Company pursuant to this Debenture and the Credit Documents).
- (e) **Carry on Business.** The Holder or any Receiver may carry on, or concur in the carrying on of, any or all of the business or undertaking of the Company and enter on, occupy and use (without charge by the Company) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Company.
- (f) **Right to Have Court Appoint a Receiver.** The Holder may, at any time, apply to a court of competent jurisdiction for the appointment of a Receiver, or other official, who may have powers the same as, greater or lesser than, or otherwise different from, those capable of being granted to a Receiver appointed by the Holder pursuant to this Debenture.
- (g) **Holder May Exercise Rights of a Receiver.** In lieu of, or in addition to, exercising its rights, remedies and powers under clauses (a), (f) and (h) of this section 7.3, the Holder

has, and may exercise, any of the rights and powers which are capable of being granted to a Receiver appointed by the Holder pursuant to this Debenture.

- (h) **Retention of Collateral.** The Holder may elect to retain any Collateral in satisfaction of the Principal Amount. The Holder may designate any part of the Principal Amount to be satisfied by the retention of particular Collateral which the Holder considers to have a net realizable value approximating the amount of the designated part of the Principal Amount, in which case only the designated part of the Principal Amount will be deemed to be satisfied by the retention of the particular Collateral.
- (i) **Limitation of Liability.** The Holder will not be liable or accountable for any failure to take possession of, seize, collect, realize, dispose of, enforce or otherwise deal with any Collateral and it will not be bound to institute proceedings for any such purposes or for the purpose of reserving any rights, remedies and powers of the Holder, the Company or any other Person in respect of any Collateral. If any Receiver or the Holder takes possession of any Collateral, neither the Holder nor any Receiver will have any liability as a mortgagee in possession or be accountable for anything except actual receipts.
- (j) **Extensions of Time.** The Holder may grant renewals, extensions of time and other indulgences, accept compositions, grant releases and discharges, and otherwise deal or fail to deal with the Company, debts of the Company, guarantors, sureties and others and with any Collateral as the Holder may see fit, all without prejudice to the liability of the Company to the Holder or the Holder's rights, remedies and powers under this Debenture or under any other Credit Documents.
- (k) **Validity of Sale.** No Person dealing with the Holder or any Receiver, or with any officer, employee, agent or solicitor of the Holder or any Receiver will be concerned to inquire whether the Security Interest has become enforceable, whether the right, remedy or power of the Holder or the Receiver has become exercisable, whether the Principal Amount remaining outstanding or otherwise as to the proprietary or regularity of any dealing by the Holder or the Receiver with any Collateral or to see to the application of any money paid to the Holder or the Receiver, and in the absence of fraud on the part of such Person such dealings will be deemed, as regards such Person, to be within the rights, remedies and powers hereby conferred and to be valid and effective accordingly.
- (l) **Effect of Appointment of Receiver.** As soon as the Holder takes possession of any Collateral or appoints a Receiver, all powers, functions, rights and privileges of the Company including, without limitation, any such powers, functions, rights and privileges which have been delegated to directors, officers of the Company or committees with respect to such Collateral will cease, unless specifically continued by the written consent of the Holder or the Receiver.
- (m) **No Implied Waiver.** The rights of the Holder (whether arising under this Debenture, any other Credit Document, any other agreement, at law or in equity) will not be capable of being waived or varied otherwise than by an express waiver or variation in writing, and in particular any failure to exercise or any delay in exercising any of such rights will not operate as a waiver or variation of that or any other such right; any defective or partial exercise of any of such rights will not preclude any other or further exercise of that or any other such right, and no act or course of conduct or negotiation on the part of the Holder or on its behalf will in any way preclude the Holder from exercising any such right or constitute a suspension or any variation of any such right.

- (n) **Rights Cumulative.** The rights, remedies and powers conferred by this Section 7.3 are in addition to, and not in substitution for, any other rights, remedies or powers that the Holder may have under this Debenture, any other Credit Document, at law, in equity, by or under the *Personal Property Security Act* (Alberta) or by any other statute or agreement. The Holder may proceed by way of any action, suit or other proceeding at law or in equity and no right, remedy or power of the Holder will be exclusive of or dependent on any other.
